# Acknowledgement to Reviewers (2012)

A number of professionals across the world helped us decide which papers to publish during the year **2010**. These professionals also comprise the intellectual think tank to whom the journal often turned to for help and guidance and they worked tirelessly around the clock to help this journal maintain a high academic standard. The journal expresses its most sincere thanks to these untiring individuals. These individuals are:

- Adriana Oliva, Argentina
- A.J. Patowary, India
- Akiyoshi Nishimura, Japan
- Anthony Busuttil, UK
- Avneesh Gupta, US
- B.D. Gupta, India
