PERMISSION FOR RESEARCH

Under Chapter IV of the Wildlife (Protection) Act 1972 and as per the provisions of the rules therein concerning wildlife species protected under the said Act, permission is hereby granted to Ms Roma Shamshad Khan Master of Science student at Bournemouth University, U K and other researchers who may be appointed/engaged by her to undertake her 'Observational Study of Vulture Scavenging on Goat Carcasses' for a period of two months from August 16, 2005 subject to the following terms and conditions.

1. She will not disturb vulture habitat in the Katerniaghat Wildlife Sanctuary or its buffer zone in any way in the course of her work.
2. By habitat is implied all habitat components or any microenvironment used by vultures including roosting and nesting sites or any site used by vultures for feeding, breeding, resting or any other function of their life cycle.
3. She will not introduce any sort of animal dead or alive in the wildlife sanctuary or its buffer zone in the course of her work.
4. She will not use, spray or apply any chemical of any nature whatsoever on the carcasses/cadavers used for her studies.
5. The permit holders will discuss in detail their work with the concerned Conservators of Forests/Divisional Forest Officers in whose jurisdiction the study area lies and will intimate the Officer about his/her entry into the study area in advance.
6. She will be fully familiar with the provisions of the Wildlife (Protection) Act 1972 as amended up to 2003 and ensure compliance of the Act in conducting research.
7. She will bear all expenses concerned with their research by themselves.
8. All fees and charges will have to be remitted by her as per prevailing rules.
9. On being asked to do so by any employee of the Forest Department in whose jurisdiction the study area lies, the she must produce this permit for inspection.
10. A copy of all reports and scientific or other literature which result as an outcome of this study will have to be provided free of charge to the concerned forest officer in whose jurisdiction this study is conducted and to this office.
11. The Forest Department of Uttar Pradesh will not be responsible in any way for any accidents or incidents involving the permit holder, during the tenure of the study.

(Mohammad Ahsan)
Chief Wildlife Warden,
Uttar Pradesh Lucknow
