Writing a Book Review

[Many youngsters today want to write book reviews for our journal. But unfortunately they do not know how to start, and many of their reviews are not able to find a way to our journal. I know they are promising youngsters but need proper direction. For the novices, my best advice is to go through the following sites. I have gone through these sites personally and find them the best. Do "chew" them thoroughly, before entering the fascinating world of "writing book reviews".]
