Primal pictures are primarily known for their excellent educational CDs and DVDs. Most of these are anatomy based and are quite interactive. They are instructive, useful, fun and good value for money.

Not many people know however that Primal also produces a very beautiful T-shirt. They sell the T-shirt with the slogan "*Be the envy of your friends and colleagues with this fantastic Primal T-shirt*", which might sound quite prosaic to some, but indeed you would be the envy of your friends, as this editor in chief found out to his surprise.

As a professor of Forensic Medicine (and unofficially of anatomy too), I am quite used to working with bones, and when on one fine day, I wore this beautiful T-shirt with a skull drawn over it, immediately many eyes were drawn towards me. Many students asked me where I got this lovely T-shirt from, and one student (Ullas Shetty) even wanted to take my picture in this shirt. Well, I was too happy posing for him in this shirt. I think I looked about 5 years younger in this shirt!

I would recommend this T-shirt highly to all who want to look different. And of course for the lovers of the bizarre, it is absolutely indispensable.

Acknowledgement

I am thankful to my student Ullas Shetty, who took my photographs in this T-shirt with his digital camera.
