This is the second important book on consent published by Radcliffe that would be useful to doctors. This book however is more directed towards surgeons. Highly recommended to all surgeons. Consent is often misunderstood among surgeons, and this excellent book would clarify their concpets regarding concepts

Consent to Treatment (Medico-Legal Essentials), by Jane Lynch. soft cover, 9.7” x 6.7”.
Radcliffe Medical Press Ltd, 18 Marcham Road, Abingdon, Oxon OX14 1AA, UK. Publication Date November, 2010. 226 pages, ISBN-10: 1846192242; ISBN-13: 978-1846192241, Price £25.99

This is the third important book on consent published by Radcliffe. General principles of consent are explained, but the stress is more on consent to treatment rather than to other issues such as diagnostic procedures, immunizations etc. All in all, we feel that this set of three books on consent should prove very useful to all physicians, surgeons and all other medical professionals, who deal with patients on a daily basis
